Message from your Vice President

Greetings My Fellow Kiwanians!

March Ended our First Quarter of 2025!

As you look back and reflect on this first quarter, was there personal progress as a Kiwanian? Did you just coast along and float with the “tide” of complacency? As we enter the Next Quarter, lets Continue to do the Awesome Community work under the Umbrella of Fontana Kiwanis, Division 36!

This year has been full of challenges. Our Fontana Kiwanis 2024-2025 President Jason with health issues, along with other members and friends of our club. So many in and around our community with financial issues, some living paycheck to paycheck, and some living day to day! Mental health issues affect our youth and elderly community, and so much more.

Now, I know that we can’t fix all the issues of our Great city of Fontana, so my challenge for each of us is to continue to follow the Kiwanis Theme, Changing the World, One Child at a time! Our world is Fontana, so our local challenge is to Change Fontana, One Child at a Time.

Kids need adults who care. That’s why we joined Fontana Kiwanis. We are like-minded volunteers who make a difference in our world of Fontana. As a volunteer organization, serving children of Fontana and All Around the World, through members in more than 70 countries. The Kiwanis mission, to serve the children of the world, one child and one community at a time, is reflected in our continuing commitment to diversity, equity and inclusion. We understand that the children of the world represent a variety of races, ethnicities, religions, abilities, socioeconomic statuses, gender identities and sexual orientations. Our vision is to be a positive influence in societies worldwide, so that one day, regardless of background, all children wake up in communities that believe in them and provide the support they need to survive.

So Now lets get our Second Wind, Roll up our sleeves and let the Community of Fontana Know that the Kiwanis Club of Fontana is Alive and Well!!

Vernall Townsend, 2024-2025 VP

Great fun was had serving Fontana's hard working police and firemen of our community. This annual event was started by one of our own members Roger Hurlley, past Police Chaplin who has passed.

Our club has continued hosting this event in his honor.

Thank you Jason for donating these wonderful drawing prizes for the DCM!

DCM'S ARE FUN!

For those members that haven't attended a Division Council Meeting, lately you are missing some fun times. Most of these events have a theme and it's fun to act a little crazy.

March's theme was St. Patrick's Day with a wild bird flying around the room. Yes, the Division's Toucan's were in abundance to welcome this large Toucan as they reminded everyone about the Special Olympics Bowl-A-Thon on May 4th.

This month's theme is Easter and Election of next year's Lt. Governor Designate and Lt. Governor Elect.
